*Having worked with several collection agencies in the past, we have found a GEM in AC Collections. Trying to get money from patients can be very frustrating at times. The staff at AC Collections has always acted in a professional manner and have been very helpful to our patients. We have not had any complaints from patients concerning the manner in which AC Collections handles accounts. They do get results.*

*We highly recommend AC Collections.*

*Sincerely,*

*Toni Malatesta*
