Dear Aileen:

I just wanted to take a moment to thank you for your dedication and continued success with our office. We have traditionally handled collections in-house and have only turned over the severely delinquent accounts to your group. Even with the most "uncollectible" accounts you have maintained an incredible collection rate of over 66%. We are also impressed by the fact that these patients will sometimes return to our office in the future and have not felt alienated by the collections process.

Once again, thank you for your professionalism, your perseverance and your fantastic results.

Sincerely,

Kimberly K. Friedman, OD
