To Whom It May Concern:

AC Collections has been our collection agent since June 2004. For several years we tried to collect delinquent accounts using our own billing department and an attorney without much success.

We definitely made the right decision when we contracted with AC Collections. There has been a steady increase in the amount of money collected and the staff has always been helpful and courteous to us and our patients.

I highly recommend Aileen Matarazzo and her staff at AC Collections to anyone looking for an agency with a personal and professional approach. I look forward to many more years of their service.

Sincerely,

Linda A. Sbrana,
Office Manager
